*Chief Medical  
Director, Jason  
Cunningham, D.O.*

Dear Business Owner,

West County Health Centers is requesting donations from local businesses in our community of Raffle Prizes for our "RR Sisters *Hogwarts* Bingo" benefitting our Homeless Healthcare Program scheduled for September 8, 2018 beginning at 5:30 pm at the Guerneville Veterans Memorial Hall. All proceeds from the Bingo & Raffle will go to help support primary medical, dental, and behavioral health care delivery to WCHC patients who are homeless or at risk of homelessness and have historically had difficulty accessing services due to lack of transportation, mental illness, or other life factors.

As you know, West County Health Centers is a private, nonprofit Community Health Center providing medical, dental, mental health services to over 15,000 patients in the rural communities of western Sonoma County. For over 40 years, WCHC has maintained our commitment to providing healthcare services to medically vulnerable and underserved seniors, working families, children and teens, homeless persons and others in need.

At West County Health Centers, our teams of professionals work tirelessly to provide each patient – regardless of ability to pay – with access to state-of-the-art healthcare and supportive services at eight locations throughout western Sonoma County including the Homeless Healthcare Program.

On behalf of our Board of Directors, patients, staff and volunteers thank you for your consideration of our request for support and your partnership in our shared vision of healthy communities building relationships and partnerships that support health and wellbeing for all people.

West County Health Centers, Inc. is a 501 (c)(3) nonprofit organization, Federal Tax ID 23-7310613. Donations are tax-deductible to the greatest extent of the law.

Sincerely,

Mary Szecsey  
Chief Executive Officer
