

## Volunteer Highlight

### Meet Cathy McCool!

Cathy has been volunteering since January and is working with the Data Team in Sebastopol.

### Cathy's Impact

With her nursing background she has been able to help with reviewing over 500 patient's charts for insurance reimbursements. Now she is working on a medical coding project. Both of these jobs help clean up WCHC's data system and relieve some of the time that staff can now take with patients. Cathy explains that she enjoys being able to see how she is making a difference and working with great staff.

### Other Interests

Cathy enjoys her time with her 2 grandchildren, is an amazing quilter, and also volunteers at the Rural Food Program at St. Phillips Parish in Occidental.

## Introducing Foggy River Farm to the Farmacy

**What is the Farmacy?** This is a produce stand and CSA (Community Supported Agriculture) box drop off site that runs every Thursday from 3-5:30pm at the Forestville Wellness Center that is open to the whole community.

We are happy to announce that our Farmacy will be accepting **EBT/CalFresh** payment again along with cash and credit. When using CalFresh, boxes are half price and there is a buy **\$10 get \$10** match price at the produce stand.

Order your CSA share today! <http://www.foggyriverfarm.org>
